## FRASER VALLEY COLLEGE

### FACULTY & STAFF ASSOCIATION

The FSA Executive is concerned about the lack of established channels of communication for members who have questions about the contract or who think they are not being treated fairly and may have a grievance. The Membership Chairman is the person who handles these problems.

Diane MacLean will be taking over the Membership Chairman position on October 14, and will at that time be organizing meetings with small groups in each area of the College to elect a representative from each area and to discuss the contract. The representative will report any problems people are having in their work areas to the Membership Chairman or to the Staff or Faculty Vice-President. At this time, we would like to ask people to start thinking about who they would like to elect as their representative for their area.

It is extremely important that anyone who thinks they may have a problem contact one of the people listed below immediately, as there are time limits that must be adhered to. Even if you are not sure you want the Executive to become involved, at least notify one of these people and they can advise you as to how long you have to make up your mind.

The people to contact are:

UNTIL OCTOBER 14: Richard Heyman, Abbotsford LRC Local 60.  
Leslie Panno, Chilliwack, or Abbotsford Local 32.

AFTER OCTOBER 14: Diane MacLean, Chilliwack or Abbotsford.  
Leslie Panno, Chilliwack, or Abbotsford Local 32.  
Kevin Busswood, Abbotsford.

The Annual General Meeting will be held on Friday, October 14, in Abbotsford (this will be a pub night), at 5:30 in Room 104. At this meeting, we are going to be revising the Constitution, so if anyone has any specific changes they would like to see made, please submit them to Betty Hanafi or Judy Inouye in Abbotsford or Leslie Panno in Chilliwack. These people also have a copy of the old Constitution if you would like to read it.

One final note: if you haven't read the contract, please do so as it is most important that everyone be well acquainted with its contents. There are extra copies in the mailbox areas at both campuses. If you have any questions about it at all, no matter how trivial they seem, don't hesitate to contact one of the people listed above.
